EDUCATION

**Nandha College of Technology,
Anna University, Erode.**

B.Tech Information Technology.

CGPA - 8.22

2019 - 2023

HSC (Higher Secondary)

Sree Ramakrishnaa Vidhyalaya
Matric Higher Secondary School.

PERCENTAGE - 66.3 2018 - 2019

SSLC

Sree Ramakrishnaa Vidhyalaya
Matric Higher Secondary School.

PERCENTAGE - 89.2 2016 - 2017

OBJECTIVE

A Full-Stack Developer specializing in React.js, Redux Toolkit, Tailwind CSS, and Django REST Framework. I aim to build scalable, secure, and user-friendly web applications. I enjoy crafting modern, responsive frontends with clean UI and managing complex state efficiently. I am passionate about turning ideas into products that deliver both great performance & excellent user experiences.

PROFESSIONAL EXPERIENCE

AV7 SCM

Nov '24 - Present

VISITOR PASS MANAGEMENT SYSTEM

Role: Full-Stack Developer

Tech Stack: React.js, Django REST Framework, PostgreSQL

- Developed a role-based visitor management system with admin and receptionist modules.
- Implemented secure API endpoints for check-in/check-out tracking and notifications.
- Designed a responsive frontend using React & Tailwind CSS.
